

Keri Miller, BS
Financial Operations Associate

Keri is ideally suited for the demands of modern bookkeeping, with her knowledge of generally accepted accounting principles (GAAP) and certification in QuickBooks Online, QuickBooks Desktop and many industry-specific software programs.

Before joining Supporting Strategies in 2018, Keri was a Staff Accountant/QuickBooks for Carlini CPA of Indian Trail, N.C. There, she specialized in creating QuickBooks company files, or cleaning up existing ones, for a variety of clients. In addition, she organized the chart of accounts and assisted in preparing financial statements, journal entries and amortization schedules.

Earlier in her career, Keri was a Systems Analyst for Pacific Bell, an Accounting Analyst for MCI Telecommunications and a Bank Collections Assistant for Union Trust Bank.

Keri earned a Bachelor of Science degree (concentration in Information Systems) from Virginia Tech. She also holds an Intuit QuickBooks Online Boot Camp Certification. An active volunteer in her community, she often assists with youth education and sports programs as well as at her local parish.
